Mr. Robert R. Simmons  
Staff Director  
Select Committee on Intelligence  
United States Senate  
Washington, D.C. 20510

Dear Rob:

As you asked in your letter of 28 July, we have done a thorough review of the SSCI transcript of the 25 May 1983 hearing for declassification.

I am sorry to say we cannot help. Even after the extensive sanitizing you have already done, a major amount of the remaining testimony was developed from very sensitive sources and cannot be released. The residue left after your sanitizing and our restrictions would not justify an unclassified report.

Sincerely,

*12/*
